COMPANY OVERVIEW

The very first seeds of UIG UK were sewn in London as early as 1992 through Howdra UK Limited, then incorporated in the United Arab Emirates and wider GCC region in 2005, successfully delivering household employees to the expatriate and local community.

2014 saw the expansion of our company through the collaboration with United International Group (UIG) allowing us to enter a new larger employee recruitment spectrum focusing on hospitality, retail services, real estate, construction, health care and many more.

30 years on has seen us harvest our company to new international heights and the creation of UIG UK servicing the UK recruitment sectors in the same successful fashion as we have been doing so in the GCC.

UIG UK designs policies and programs aimed at placing the correct candidate in the correct position across different business verticles such as hospitality, retail services, real estate, construction, health care and many more.

Over the years, our company has grown exponentially through our dedicated employees from diverse backgrounds and have played a crucial role in creating the innovative corporate culture necessary to achieve our goals not only internal but external also.

Our reputation has reached prestigious levels in the industry, this is primarily due to our valued customers whose demands come first coupled with our company ethical employment charter as our employees well being is of equal importance. Our approach ensures loyalty to both clients and employees alike, therefore delivering full adherence to quality and contributes to our success.

UIG UK, has a proven track record of delivering tangible, precise, and valuable results to our customers.
